

# EON INFOTECH LIMITED

Eon Infotech Limited is an ISO 9001:2015 certified organization with 22 years of experience in developing cutting-edge asset tracking systems and defence electronics.

Using our platform, our customers can run adaptive applications, such as driver hazard warnings or routing-as-a-service. Our software is available as a turn-key solution with many integrations. The mobile application provides information to monitor, manage, and take action on any violations. Value-added services include ordering concrete online, assigning sales staff to jobs, and assigning drivers to TMs.

*"As an integrated design, development & manufacturing organization, we offer the best lifetime support, maintenance, feature enhancement, and customization options to our clients."*

## EUROTRACKER RMC

EON offers a Vehicle Tracking and Fleet Operations Optimisation solution specifically for the RMC industry. Over the past few years, this solution has already proven itself with thousands of successful deployments at industry leaders.

### Real time Reports

- Trip wise Report- Plant Out, Site In/out, Plant in Time
- TM Utilization Report
- TM Availability Report
- Pump Engine Hours Report
- Alerts Sent Report
- KM (Distance Travelled) Day wise/Specific Time
- Real-time Monitoring
- Halt reports based on stoppage
- Over speeding & Driver Behavior report

### Enhanced Efficiency

Improved Operational efficiency and better turn-around time have helped clients reduce 1 TM for every 10.

Improve driver safety by identifying unsafe patterns of behaviour, such as aggressive braking at stop signs.

### Safety Analysis

### Trip wise Report

Obtain real-time data about a TM's departure from the plant, arrival at the site, unloading time, no. of pours, and the time it leaves the site.

Customize with SAP interface to reduce data duplication and to allow direct entry into SAP or export of KM data to SAP .

### SAP interface

With the Eon Eurotracker Ready Mix Concrete (RMC) solution, nothing is impossible – the only limit is the human imagination.

To know more about how the solution can benefit your organization or schedule a live demonstration, please get in touch @ +91 9779042118
